

## DIY SolarEdge Learning Portal Account Creation Steps for Residential Sales Teams

Follow these steps for immediate access into the SolarEdge Learning Portal to complete SolarEdge training.

1. Navigate to solaredge.com
2. Click on "login" at the top righthand toolbar. You will see a dropdown. Select "E-Learning".

3. This will navigate you to a login screen. Press "Sign up Here" underneath the login button.

4. Enter your basic contact details. Make sure you use your work email address.

5. Fill in your company information into page two of the account creation form. There is no need to include the monitoring information.

6. After you have submitted this form you will now have access to the SolarEdge training portal. Training can be accessed through direct links to training modules or by navigating to [solaredge.com](http://solaredge.com) => Login => Elearning
